SHANUM(SHANUM Multicultural Society for Social Responsibility) is a membership based volunteer program that's goal is to make leaders through allowing the SNU members of various nationalities (regardless of Korean language skill) to strengthen their sense of sharing and spread their social responsibility initiatives.

We are looking for our new members for 2024, 7<sup>th</sup> batch who want to co-work with local communities.

By collaborating with various communities, we are working to realize mutual understanding, mutual empowerment, and sustainable development. Also through participating in volunteering, we are pursuing intercultural sharing that overcomes the language barrier. SHANUM activities include community support activities, participating in the Gwanak intercultural festival, and (multicultural)community advocacy and self-esteem activities, among other events.
